MOORTOWN Primary School

What is the Primary PE and Sport Premium?

The government is providing additional funding of £150 million to improve provision of physical education and sport in primary schools. This funding is ring-fenced and therefore can only be spent on provision of PE and sport in school.
Each school receives £8000, plus £5 per pupil on roll. This gives us a total each year of about £9,000. **For 2016-2017, our grant allocation is £8910.**

How will we invest this at Moortown Primary School?

At Moortown we have developed a provision plan to ensure this funding is invested (rather than 'spent') to maximise the long term impact of our PE provision for pupils and staff. The funding is invested in various ways and the impact of these initiatives is closely monitored through assessment of children's skills, staff and pupil feedback, uptake of clubs etc. At Moortown Primary, we pride ourselves on being a happy and healthy place to learn.
If you would like any further information please contact Mrs Taylor, Health Leader.
