Y1 – Grammar – Wednesday

LO: I can combine words to make a sentence.

In this lesson, I'd like children to unjumble the words to make a sentence. Children should aim to use all the words to make a sentence. Watch the video of me having a go first!

I made a mistake in the video – one of the sentences does start with Bernard. Sorry!

Bernard	went	into	the	garden.

The	monster	ate	Bernard	up.

The	monster	went	inside.

The	monster	bit	Bernard's	father	on
the	leg.				

She	put	the	dinner	in	front
of	the	television.			

The	monster	ate	the	dinner	and
it	watched	the	television.		

There's	a	monster	in	my	garden
and	it's	going	to	eat	me.

The	monster	is	in	Bernard's	bed	with	his
teddy	bear.
