

LO: I know the main parts of the human body

1. Watch this video about the different parts of the body.

<https://www.bbc.co.uk/bitesize/clips/zsjsbk7>

2. Draw an outline of a person or use a photograph. Label it with the body parts. I've listed some below:

head	neck	shoulders	chest
tummy	arms	elbows	hands
fingers	legs	knees	feet
toes			

3. Can you add any extra body parts that you know to the diagram?
