

Y3 – horizontal and vertical lines – Tuesday

LO: horizontal and vertical lines

LO: horizontal and vertical lines Teach

horizon horizontal line

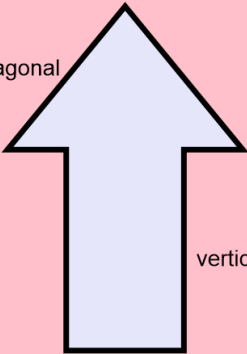

vertical line

A horizontal line is a line that runs from left to right.

A vertical line is a line that runs straight up and down.

A diagonal line is a line that is neither horizontal or vertical.

Identify vertical and horizontal lines:

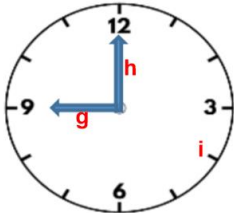

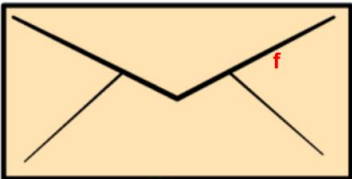

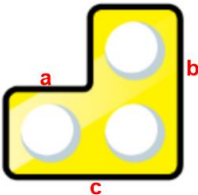

diagonal

vertical

horizontal line

Identify if the lines are horizontal, vertical or diagonal.

Identify if the shapes have a horizontal line of symmetry, a vertical line of symmetry or both.

vertical line of symmetry
horizontal line of symmetry

vertical line of symmetry

vertical line of symmetry

vertical line of symmetry
horizontal line of symmetry

Identify if the shapes have a horizontal line of symmetry, a vertical line of symmetry or both.

5.

6.

Does the first letter of your name have a horizontal, vertical line of symmetry? Or both?

Go on, have a go!

How many horizontal and vertical lines can you spot in this image by Mondrian?

Create your own piece of art work using only horizontal and vertical lines.

Horizontal line of symmetry	Vertical line of symmetry	Horizontal and vertical lines of symmetry

Eva completes the table by drawing shapes.

Can you spot and correct her mistake?
