

Key dates

As you've found it helpful in previous years, we've produced a list of key dates for this academic year.

Please be aware that some of the dates are inevitably subject to change. This is for two main reasons. The first is that we're planning right across the year, and the second is due to Covid.

Any dates that are changed or added throughout the year will be communicated to you. The full calendar can also be found on the website in the 'Find Out' section.
