Sanctuary Support Scheme

The new Sanctuary Support Scheme now offers a support worker for those who have sanctuary measures in their property. The aim of this team is to be able to offer both emotional and practical support, with a focus to providing access to more specialist support to individuals with protected characteristics. The workers are from a range of agencies and managed through LDVS.

To refer into the service, a Sanctuary referral will need to be sent through to Leeds Housing Options (LHO) dv.marac@leeds.gov.uk –the worker can then indicate on the referral and email whether or not the client would like additional support.

If you would like to discuss your referral or if the referral is for an asylum seeker or refugee, please discuss this with Lucy Johns, Sanctuary Support Team Leader [-lucyj@ldvs.uk](mailto:lucyj@ldvs.uk)
