

LO: I know some counties in the UK

In this lesson, you'll be learning about counties.

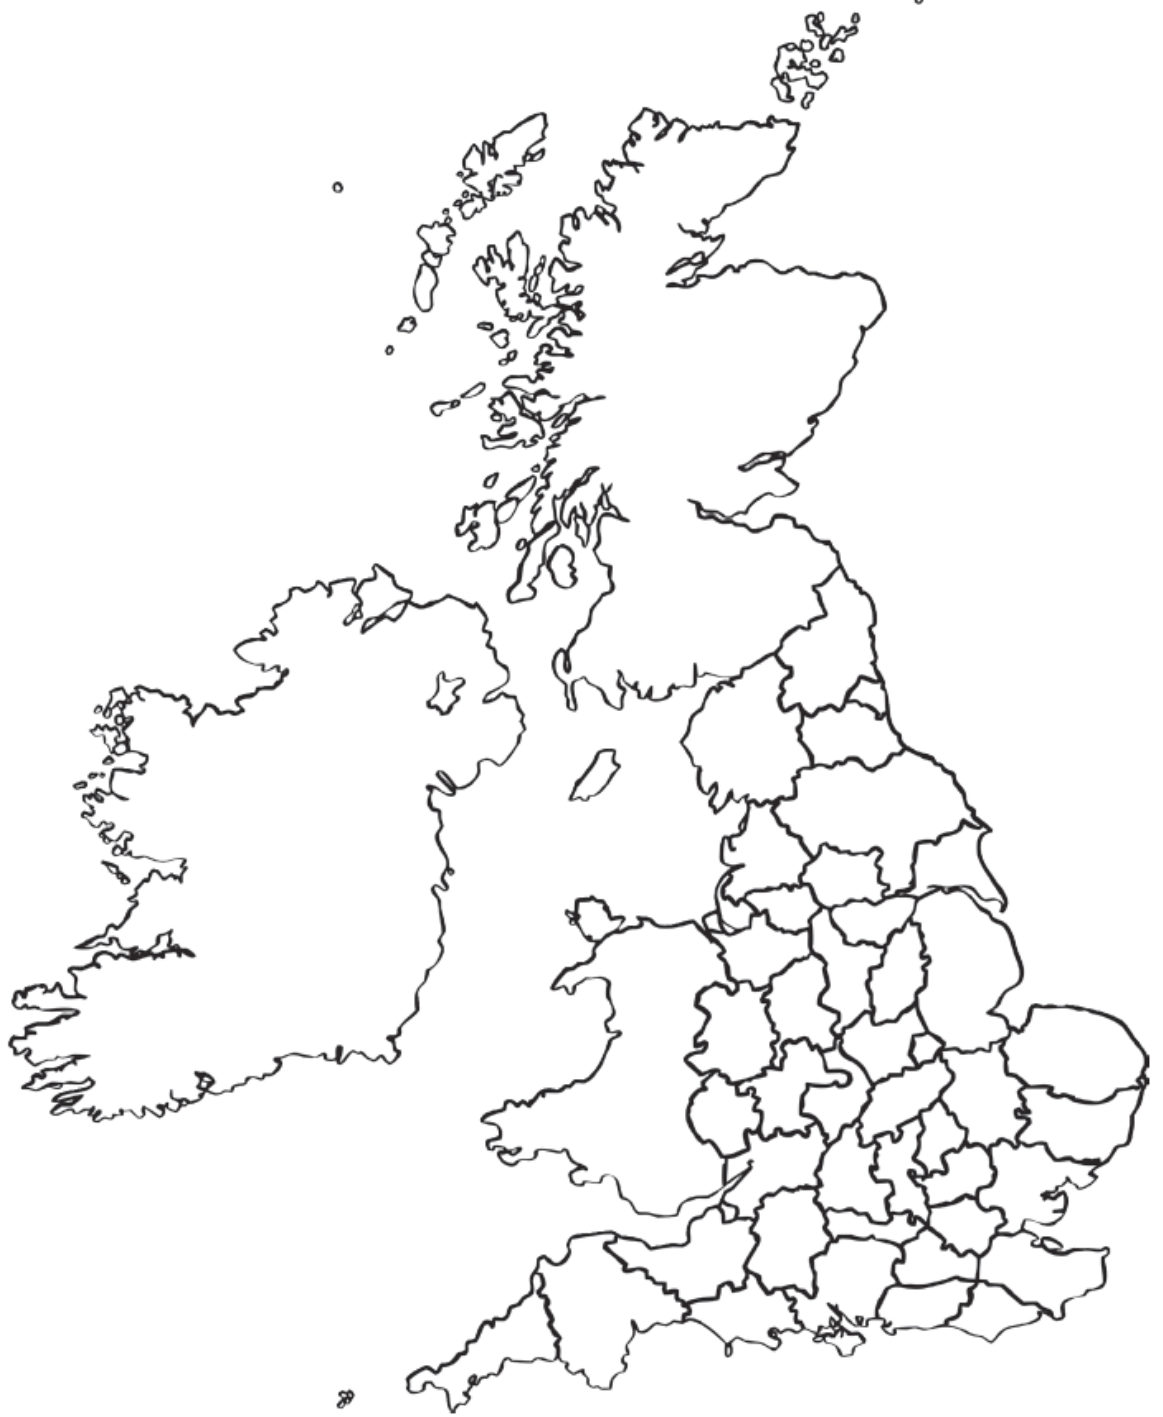

A county is a smaller area of the UK containing lots of towns and villages. They are the top level of local government. They control the local area and the services within, such as education, transport, policing, fire & public safety, social care, libraries, and waste management.

Our county

The county that we live in is called **West Yorkshire**.

Task

1. Use the internet or attached sheet to locate West Yorkshire and the other counties that border (are next to) West Yorkshire.
2. Locate some other counties which you have been to.
3. Play the following game to test your knowledge about counties
