

LO: Multiplying by 1 and 0

Use real objects to show what happens when you multiply by 1.

The example below uses numicon but you could use anything.

There are 5 ones.

$$5 \times 1 = 5$$

There is 1 eight.

$$8 \times 1 = 8$$

Activity 1

Complete the calculation shown by the number pieces.

There are ___ ones.

$$\underline{\quad} \times \underline{\quad} = \underline{\quad}$$

There is ___ six.

$$\underline{\quad} \times \underline{\quad} = \underline{\quad}$$

Complete the sentences.

There are ___ plates. There is ___ banana on each plate.

Altogether there are ___ bananas.

$$\underline{\quad} \times \underline{\quad} = \underline{\quad}$$

Complete:

$$4 \times \underline{\quad} = 4$$

$$\underline{\quad} = 1 \times 7$$

$$0 = \underline{\quad} \times 42$$

$$63 \times 1 = \underline{\quad}$$

$$\underline{\quad} \times 27 = 0$$

$$50 \times \underline{\quad} = 50$$

Challenge

Circle the incorrect calculations and write them correctly.

$$5 \times 0 = 50$$

$$19 \times 1 = 19$$

$$7 \times 0 = 7$$

$$1 \times 1 = 2$$

$$0 \times 35 = 0$$

$$0 \times 0 = 1$$

$$1 \times 8 = 9$$

Choose one calculation and create a drawing to show it.
