

## Geography

### LO: Mapping the world

<https://www.bbc.co.uk/bitesize/topics/zvsfr82/articles/znm7vk7>

1. Watch the video with Sue Venir.
2. Read the text: this recaps what Sue Venir has told us in the video.
3. Now play the quiz. You can use the text to help you. Did you get all 5 questions correct? If you didn't, you can always have another go!
4. Go onto Google Earth. It now has a 3d option. It's really cool! Find the school or your house.
5. Look for some other places in the world on Google Earth: maybe the pyramids of Giza, the Eiffel Tower, Mount Everest.
