

Tuesday 12th May

We're going to continue to think about things that are hinted to us today. We use a lot of the same skills reading as we do when we watch TV, so today's task is to watch [this video \(https://www.youtube.com/watch?v=6YYXgEr0758\)](https://www.youtube.com/watch?v=6YYXgEr0758) about Peter Pan (a classic children's story where children go and explore a new land) and answer the questions below. I'd suggest that you watch it all the way through first, and then re-watch to find the answers.

- 1) Within the first 12 seconds of the clip, how do the three children feel about the fairy dust?

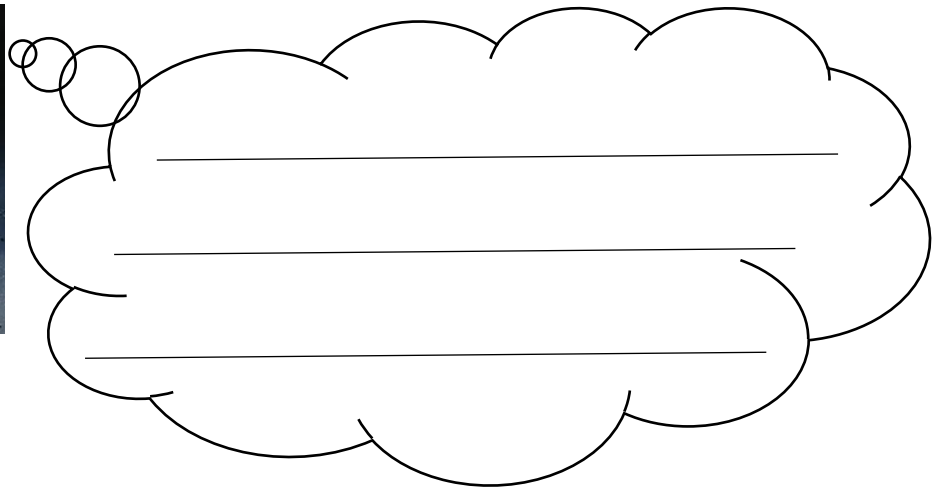

Wendy (shown first): _____

John (shown second): _____

Michael (shown third): _____

- 2) How do the children feel about flying? (about 30 seconds into the clip)

- 3) What might the dog think when it sees the children flying? Write it in the thought bubble.

- 4) What does the dog want at 1:20 in the clip?

- a. to hear what they're saying
- b. to fly with the children
- c. the children to stop flying
- d. to eat some dinner

- 5) How do you know that?

- 6) How does Tinker Bell feel about Wendy at 1:51?
