### **LO: sub-headings**

Here are the answers to yesterday's learning. Your answers could be similar to mine but not exactly the same. This is fine! Your answers could be completely different to mine but still correct! Ask an adult at home if you're not sure if your answer is correct. Email me if you want me to check.

1. How tall is Everest?
2. Wildlife on Everest
3. Where does the mountain get its name?
4. Conditions on Everest / Weather on Everest
5. The race to climb Everest
