

Y3,4 – Science – Diet – Tuesday

LO: Who eats what?

Animals, including humans, cannot make their own food. Instead, they get nutrition from the food that they eat.

In Y1,2, you learned that animals don't all eat the same food.

Task 1

Match up the words with their definitions:

1. Herbivores
 2. Carnivores
 3. Omnivores
-
- a. Only eat meat
 - b. Only eat vegetables
 - c. Eat both meat and vegetables

Check if you were right: <https://www.bbc.co.uk/bitesize/clips/zwfd2p3>

Task 2

You need to design a menu for a wild animal of your choice.

It could be a meerkat, a lion or a crocodile.

1. Research the animal using books or the internet.
2. Think carefully about what should be on the menu
3. Create the menu.

Is your animal a carnivore, a herbivore or an omnivore?
