### LO: to use prepositions

Hello and welcome to your grammar lesson. In this lesson we'll be using prepositions in our sentences.

A preposition tells us where, when or how something is done.

For example:

*The man slept **under** the table.*

The preposition in this sentence is under. It tells us where the man slept.

There are many prepositions. Here are some you can use in the tasks on the following page:

location	time	movement
above	after	against
behind	before	along
below	by	down
beside	during	from
between	from	into
by	on	off
in	past	on
inside	since	onto
near	to	out of
on	until	toward
over	upon	up
through		upon

### Task 1

Choose an appropriate preposition to complete the sentence. Are there any others which work?

*All these sentences are about planes and flying as this is an interest of one of our class. Let me know if you have a topic you'd like me to cover in a lesson.*

1. The fighter plane soared out of the clouds directly \_\_\_\_\_ us.
2. The jet landed perfectly \_\_\_\_\_ the aircraft carrier.
3. \_\_\_\_\_ the pilot got into the cockpit, he gave the plane a final check.
4. Amazingly, the jet flew \_\_\_\_\_ the two mountains.
5. \_\_\_\_\_ the flight, the engineers worked quickly to refuel the plane.
6. The plane taxied \_\_\_\_\_ the runway and got ready for take-off.

### Task 2

I've chosen a preposition for you to use in a sentence. You need to provide the rest of the sentence. It can be about anything you like.

1. \_\_\_\_\_ through \_\_\_\_\_ .
2. \_\_\_\_\_ beside \_\_\_\_\_ .
3. \_\_\_\_\_ after \_\_\_\_\_ .
4. \_\_\_\_\_ inside \_\_\_\_\_ .

### Task 3

Write a couple of your own sentences using different prepositions.
